

# THIS IS A DRUG & ALCOHOL-FREE SHED

EVERYONE IS RESPONSIBLE FOR SAFETY

## FARMER / CONTRACTOR

- Take all reasonable steps to ensure a safe work environment
- Provide access to adequate facilities for welfare of people in workplace
- Make sure plant, structures, substances & equipment are safe & used safely
- Provide information, train & supervise
- Monitor employee health & work conditions

## SHEARER / SHED STAFF

- Turn up fit for work, and take reasonable care for own health & safety
- Take reasonable steps not to put others' health & safety at risk
- Follow reasonable instructions, policies and processes about workplace health & safety
- Report safety issues ASAP to person in charge, contractor and/or farmer
